1. If the bidder is awarded the contract and refuses to execute the contract forms presented for signature within the time and manner required, the bidder will be liable to the Department of Transportation for actual damages resulting to the Department therefrom or 10% of the amount bid, whichever is less. Should the bidder fail to pay these damages, the Department may list the bidder as in default and ineligible to bid future Department projects.

2. The bid of any Contractor who is currently in default with the Department on a contract already awarded may be regarded as non-responsive and may be rejected. Default is defined as being within a period of liquidated damages on uncompleted work or under notice to begin or complete a contract where work has not commenced within the time limit set forth in that notice or was suspended without valid cause, or failure to perform the required work in a manner satisfactory to the Engineer.
